FOREWORD

The Thoroughbred Stud Book of the Republic of Azerbaijan was approved by ISBC in 2006. Volume I of the Stud Book published in 2007 and includes approved mares and stallions. Foals born in the Republic of Azerbaijan in 2005 are registered in the Volume I. Foals born in the Republic before 2005 are published in the Russian Stud Book and have passports issued by the Russian Stud Book Authority.

Volume II of the Thoroughbred Stud Book of the Republic of Azerbaijan is continuation of the Volume I and published by the Jockey Club in accordance with points 1.1. and 1.2. of the Rules and Regulations of Azerbaijan Thoroughbred Stud Book (see below).

The following information is published for each mare in broodmares section:

- Name and code of country of birth;
- Colour, date of birth, breeder, Stud Book reference;
- Dam's line pedigree tracing back to an ancestor registered in a Stud Book approved by the ISBC. Stud Book reference of the approved ancestor is shown;
- Results of breeding use in the years of 2006-2009 inclusive. Name of the breeder;
- Name of Stallions that covered a mare in 2006-2009.

The following information is published for each stallion in the stallions section:

- Name and code of country of birth;
- Colour, date of birth, breeder, Stud Book reference;
- Dam's line pedigree tracing back to an ancestor registered in a Stud Book approved by the ISBC. Stud Book reference of the approved ancestor is shown;
- Name, colour, sex of foals born in the years of 2006-2009 inclusive, and a name of the foal's dam.

A name of a breeder taken from Export Certificate is indicated for each imported horse.

Absence of a country code after an animal's name means that the horse was born in the Republic of Azerbaijan.

Breeding reference is shown for each mare and stallion registered in the Volume I of Azerbaijan Stud Book. Foaling reference is shown for each mare and stallion registered for a first time as such.

RULES AND REGULATIONS OF AZERBAIJAN THOROUGHBRED STUD BOOK

GENERAL REGULATIONS

1.1. The management and publication of the Azerbaijan Thoroughbred Stud Book is carried out by “The Jockey Club of Azerbaijan” (The Jockey Club). The Jockey Club is authorized to register Thoroughbred horses and to issue all identity documents.

1.2. Thoroughbred Stud Book of the Republic of Azerbaijan is published every four years. Every other years Supplements are published.

1.3. The Jockey Club executes its activity on the base of the “Law about horsebreeding in the Republic of Azerbaijan” as well as relevant articles of the International Agreement on Breeding, Racing and Wagering (IABRW).

2. CONDITIONS OF ENTERY

For horse to be eligible to be registered in Azerbaijan Thoroughbred Stud Book, following requirements must be satisfied:

- a) the horse must be the product of a mating between a sire and a dam, both of which are recorded in a Stud Book approved by the International Stud Book Committee (I.S.B.C.) or either or both must have been promoted from a Non-Thoroughbred register under the terms set out in article 13 of IABRW
- b) the Thoroughbred must be the result of a Stallion’s mating with a mare which is the physical mounting of a mare by a stallion with intromission of the penis and ejaculation of semen into the reproductive tract.
- c) a natural gestation must take place in and delivery must be form, the body of the same mare in which the foal was conceived. Any foal resulting from or produced by the processes of Artificial Insemination, Embryo Transfer or Transplant, Cloning or any other form of genetic manipulation not herein specified, shall not be eligible for recording in an Azerbaijan Thoroughbred Stud Book.

3. MANAGEMENT

3.1. Registration of Stallion and Broodmares.

3.1.1. Stallions and Broodmares must be registered with the Azerbaijan Stud Book for breeding purposes before covering season starts.

3.1.2. The horse’s owners is required to make an application for the registration for breeding enclosing the horse’s passport.

3.1.3. The Stud Book Authority endorses the passport confirming that the horse is registered for breeding.

3.1.4. Before covering the mare's owner should check that the stallion's passport is endorsed for breeding. The stallion's owner must check the mare's passport endorsement and verify the identity.

3.2. For foals born in the Republic of Azerbaijan, the details of the mating must be recorded by the Stallion owner or by authorized agent and declared on an official form which should be sent before 15th of July each year to the Stud Book Authority and include:

- Name of the Stallion;
- Name of the Mare;
- Date of the first mating and date of the last mating;
- A statement signed by the Stallion's owner or by an authorized agent confirm that the mating was natural and did not involve the processes of Artificial Insemination or Embryo Transfer, or Transplantation, or Cloning or any other form of genetic manipulation.

3.3. FOAL REGISTRATION

3.3.1. Details of a foal at the time of foaling must be recorded and declared by the mare's owner on an official form which should be sent to the Stud Book Authority within one month of the birth and include:

- Name of the Stallion;
- Name of the Mare;
- Exact date of foaling (i.e. day, month, year);
- Colour of the Foal;
- Sex of the Foal;
- Name and address of the Breeder, which is the owner of the mare at the time of foaling;
- Suggested name of the Foal;
- Covering Certificate.

4. IDENTITY DOCUMENTS

Description of markings.

Description of markings of a foal must be completed by an agent authorized by the Jockey Club before weaning. The authorized agent must check the dam's identity by her passport.

4.1.2. Description of markings of a foal should be recorded on an official form and include:

- Name of the Stallions;
- Name of the Mare;
- Exact date of foaling (i.e. day, month, year);
- Colour of the Foal;

- Sex of the Foal;
- Name and address of the Breeder, which is the owner of the mare at the time of foaling;
- Suggested name of the Foal;
- Detailed description of markings which should include face markings, all legs markings, hair whorls, scars, brands and a microchip number.

4.2. PASSPORT

4.2.1. After completion of registration procedure the Stud Book Authority will issue a passport for Thoroughbred horse born in the Republic of Azerbaijan.

4.2.2. Passports for Thoroughbred horses born in the Republic of Azerbaijan are in Azerbaijani and English and include:

- Name of the horse;
- Date of birth;
- Country of birth;
- Sex and colour;
- An official description;
- Parentage information;
- Life number;
- Breeder;
- Owner;
- Microchip number;
- Stud Book reference;
- Vaccination pages;
- Endorsement pages.

4.2.3. When change of ownership the passport must be returned to the Stud Book Authority for registration of a new owner.

4.2.4. If a passport is lost the horse owner must notify the Stud Book Authority in order to obtain a duplicate of the passport.

4.2.5. In the event of the death of a horse its passport must be returned to the Stud Book Authority.

4.3. EXPORT CERTIFICATE

4.3.1. The Stud Book Authority issues an Export Certificate for any horse born in the Republic of Azerbaijan and exported (See IABRW, Article 15, point 2.2) to a foreign country. Before a horse is exported, the owner must notify the Stud Book Authority on an official form and enclose the passport of the horse for endorsement.

4.3.2. The Azerbaijan Stud Book Authority will send the Export Certificate directly to the Stud Book Authority of the imported country in the following cases:

- A horse is being exported permanently;
- For mares and stallions if exported for more than 9 months;
- For a racing horse if exported for more than 1 month.

4.3.3. In case of export of a mare in-foal, the covering certificate showing the details of the Stallion that covered the mare and the dates of the first and the last covering, must be attached to the Export Certificate.

5. PARENTAGE VERIFICATION

5.1. To be registered all foals must be parentage verified.

5.2. Blood and hair samples must be taken from foals by authorized agent before weaning and delivered to a laboratory officially designated for DNA typing and parentage verification.

5.3. The laboratory designated for parentage verification of foals born in the Republic of Azerbaijan must be a member of I.S.A.G., participate in the ISBC/ISAG comparison tests and meet the ISBC/ISAG minimum standards.

5.4. The laboratory will keep confidential all genetic typing results and not divulged except to the request of the Azerbaijan Stud Book.

6. REGISTRATION OF NAMES

6.1. All Thoroughbred horses foaled in the Republic of Azerbaijan must be named through the Stud Book Authority.

6.2. When naming a horse the following rules, in compliance with Article 14 of IABRW, will apply:

6.2.1. It is not permitted to use the name of stallions which have been used for covering until a period of 15 years after death or 15 years after the last recorded year in which they covered mares or at 35 years of age (whichever is the soonest).

6.2.2. It is not permitted to use the name of mares until a period of 10 years after their death or 10 years after the last recorded year in which they were covered or produced a foal, or at 25 years age.

6.2.3. It is not permitted to use the name of other horses that have raced, until a period of 5 years after their death, or at 20 years of age (whichever is the soonest).

6.2.4. Names cannot be used that are on the International List of Protected Names.

6.2.5. Names cannot be more than 18 characters, including signs or spaces.

6.2.6. It is not permitted to use the name of a public person, unless permission is given by them or their family.

6.2.7. Names cannot be followed by numbers.

6.2.8. It is not permitted to use names made up of initials or figures.

6.2.9. It is not permitted to use names whose meaning, pronunciation or spelling may be insulting or obscene.

6.2.10. It is not permitted to use names which start with any sign other than a letter.

7. REGISTRATION OF IMPORTED HORSES

7.1. Imported Thoroughbred horses can be registered in the Azerbaijan Stud Book only in case they are registered at birth in a Stud Book approved by the ISBC.

7.2. Registration of imported horses is carried out on the base of the following documents, issued by Stud Book Authority of the country of birth:

7.2.1. Export Certificate.

7.2.2. Passport which is endorsed to travel to the Republic of Azerbaijan.

7.2.3. 5-generation pedigree.

7.2.4. DNA Certificate.

7.3. For imported mares covered abroad, a covering certificate must be enclosed, issued by the Stud Book Authority of the country where the covering took place.

7.4. When an imported horse is registered the country code suffix is appended to the horse's name (Article 4 of IABRW).

8. FINAL STATEMENTS

8.1. The covering season starts on February 15 and end on July 1.

8.2. Present Rules and Regulations are obligatory for all owners and breeders in the Republic of Azerbaijan.

8.3. The Jockey Club has right to refuse to register a horse in the Stud Book if the Regulations are not fully respected.

8.4. The Jockey Club published every year the fares to be paid.
